

November 2008

Optimizing Opportunities for Improved Chronic Disease Prevention and Management in the North West LHIN

Dr. Penny Ballem
(Physician and Former Deputy Minister
of Health, British Columbia)

Wed., November 19, 2008
975 Alloy Dr., Suite 201
12 noon - 1 pm (e.s.t)

The North West LHIN has identified improved chronic disease prevention and management as a priority for change.

In this session, Dr. Ballem will discuss how the health system might better support effective and efficient chronic disease prevention and management. Her experience in other jurisdictions will be shared.

For additional information, please contact Kristin Shields, Senior Consultant, at kristin.shields@lhins.on.ca, (807) 684-9425 ext. 2016 or (866) 907-5446 ext. 2016

Space will be limited in some video conferencing locations.
